

## CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

September 16, 2003

### **H.R. 3038**

### **Health Care Safety Net Amendments Technical Corrections Act of 2003**

*As ordered reported by the House Committee on Energy and Commerce  
on September 10, 2003*

H.R. 3038 would make technical and conforming amendments to the Health Care Safety Net Amendments of 2002 (Public Law 107-251). That law reauthorized and expanded the Health Centers and National Health Service Corps programs, and established the Community Access Program in statute. CBO estimates that the bill's changes would have no impact on the federal budget.

The bill contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.

The CBO staff contact is Margaret Nowak. This estimate was approved by Peter H. Fontaine, Deputy Assistant Director for Budget Analysis.
